Menu suggestions

We would like to make your event organization so easy as possible. Therefore, we have already created some set-menus for you. For your perfect choice, please note the following rules:

Menus up to 12 people

If you prefer a set menu for a small group for up to 12 guests, we recommend that you create the menu from our restaurant à la carte menu.

Menus with a selection of dishes '3-3-3'

For up to 20 guests, we are glad to offer you our small restaurant à la carte-menu '3-3-3' with three starters, three main courses (meat, fish, vegetarian) and three desserts. We are happy to inform you about the current small à la carte menu.

Menus up from 12 people

The menu suggestions on the next pages are planned for groups with more than 12 guests. Please note that the same menu for all guests will be served, except children, vegetarians and guests with special dietary requirements.

Create your own menu

Please feel free to create your own menu with the dishes in our list.

Supplement

The price of the banquet menus includes a supplement of the side dish and vegetables. The size of the portion is normally generously calculated. Anyhow, if you wish a supplement of meat / fish, please let us know before. For the meat / fish supplement we charge an extra 20% of the main course price.

Declaration

If you should need any further information concerning allergens and ingredients of the selected menu, please do not hesitate to contact us.

All your meat is usually from Switzerland but of course there can be exceptions for seasonal or availability reasons. Please let us know if you wish more information about the exact declaration.

Prices

All prices include VAT and service.
