Cocktails

Whether it's a habilitation ceremony, lunch buffet, funeral, wedding, birthday or even a company event. Many of these occasions are now celebrated as an informal "Apéro Riche".

The following packages correspond to a full catering as with a multi-course menu, with the difference that the food is served in an informal "stand-up party atmosphere".

Cocktail arrangements are possible for groups of 30 or more

The prices quoted include all the snacks listed, which are served in several stages. Cold snacks are already laid out in buffet form when the guests arrive. The hot snacks and desserts are served in small bowls by our service staff at a later stage or presented as a buffet. We will be happy to advise you on the ideal type of service to suit your event, the number of people and the time frame you have available.
