Alkoholfreie Speisebegleiter

"Alkoholfrei auf der Überholspur"

Manufaktur Jörg Geiger

Im Jahr 1993 übernahm Jörg Geiger den kleinen familiengeführten Hof mit Obstbau. Mit den Erfolgen wurden aus dem Einmannbetrieb ein florierendes Unternehmen von ca. 18 Hektaren Obstanbau welches nach biologischen Richtlinien gepflegt wird. Die daraus produzierten Säfte werden mit über 70 verschiedenen Kräutern, 200 Gewürzen und 20 Blüten zu unterschiedlichen Kreationen verarbeitet. Die daraus resultierenden Resultate haben uns überzeugt und so möchten wir Ihnen eine kleine Auswahl an alkoholfreien Speisebegleitern nicht vorenthalten.

In 1993, Jörg Geiger starts the small family-run farm with fruit growing. With the successes became from the one-man business a flourishing enterprise of approx. 18 hectares fruit cultivation which is maintained after biological guidelines. The juices produced are blended with more than 70 different herbs, 200 spices and 20 flowers to create a variety of creations. We are convinced by the results and would like to present you a small selection of non-alcoholic food companions.
